

## It's Finally Here!

bridgeMLS makes it easier than ever to access full data from other Regions!

**Paragon CA Edition** –bridgeMLS Participants and Subscribers can **NOW** access Listing data from other MLS's without having to sign in to different platforms. The Paragon CA Edition platform looks exactly like the Paragon system you are comfortable and currently using. Access "**Paragon CA Edition**" from the Paragon Home page – *shown below* or from the bridgeMLS dashboard by going to [www.bridgeMLS.com](http://www.bridgeMLS.com) – click "**MLS Login**" – top right corner (Enter your Paragon Credentials).

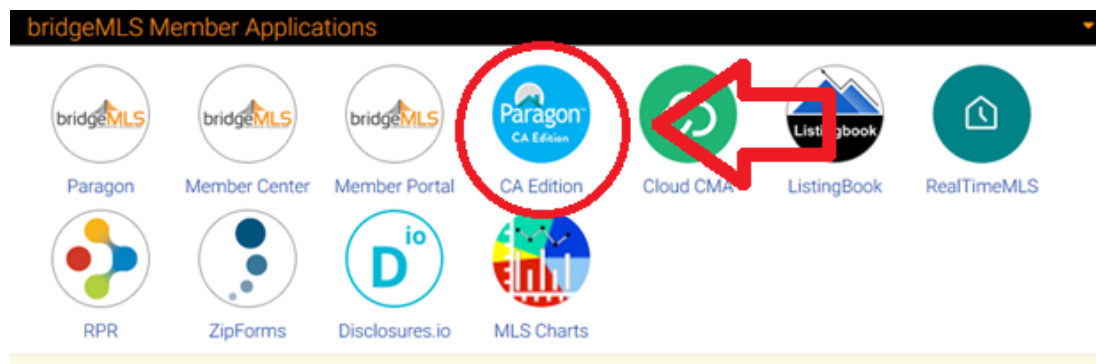

**Paragon CA Edition** gives you listing access from:

- MLSListings
- MetroList
- BAREIS MLS
- SFAR MLS
- Nevada County AOR
- bridgeMLS (Contra Costa/Alameda Counties)
